Munce's Superior Petroleum Products Inc. is a family owned and operated business that has served Northern New England for over 40 years. We came from humble beginnings like many of our New England neighbors, Munce's began as a garage, gas station, and fuel company and has grown to include 11 Munce's Konvenience Stores and Truck Stops, Munce's home heating fuel and service, Munce's Propane delivery and service, Munce's Lubricants, wholesale fuel and gasoline and Beaver Trails Campground & RV Park.

Munce's has grown it's business over the years with service, integrity, and the can do attitude of its hard working people. We adhere close to these principles to help you, our customers, continue to grow your business in the ever changing economic climate. We also understand the importance of our small communities across Northern New England, that is why we participate in local schools, fund-raisers, and sponsorships to help make our community a better place to live, work, and play.
